## Bellicose Conway Jailed For Year Bills Cut By Tax Relief

The Battling Conways still want to make up, but they'll have to wait about a year to do it. Hubby Tom has been sentenced to one year in the County Jail for forgery. His wife, Virginia, is awaiting sentence on April 21 of a charge of assault arising from an incident at 209th and Main St. in October, when she ran over him with her car. The pair, who seem to prefer Torrance and vicinity as a battleground, hit local area police records twice in the past few months, both times when Virginia ran over her spouse with her car in this area. The second time, she said, she knocked her hubby down an embankment, because she had thrown large stones through the windows of her car. She then drove down after him, she says "to hold him for the police." Conway, who has been arrested several times for wife-beating, had the latest wife-beating charge dismissed after being sentenced for forgery.
